C. INFORMATION ON SHAREHOLDER RIGHTS [§ 106 (5) AktG]**1. Submission of agenda items by shareholders (§ 109 AktG)**

Shareholders who own shares amounting to 5 percent of the share capital, individually or jointly, for at least three months before submission, can make a request in writing to have additional items placed on the agenda of the Annual General Meeting and announced. The application for each agenda item must contain a resolution proposal and a statement of grounds.

The applicant must provide proof of his shareholdings. In order to do so, a deposit confirmation pursuant to § 10a AktG is needed for shares held in safe custody. It must be issued by a custodian bank registered in a member state of the European Economic Area or a full member state of the OECD. The deposit confirmation must not be more than seven days old when it is presented to the company and must confirm that the shareholders have held the shares for at least three months before submitting their request. If there are several shareholders who can only attain the required shareholding of 5 percent of the share capital together, the deposit confirmations for all shareholders must refer to the same point in time (date, time).

Please refer to the remarks concerning eligibility (item D) for other content required in the deposit confirmation. The company must receive any written request (signature required) to include an additional agenda item together with the above mentioned proof of shareholding not later than 21 days before the

Annual General Meeting, i.e. not later than March 7, 2017, to be delivered to the company's business address at Stattegger Strasse 18, AT-8045 Graz, for the attention of Dr. Michael Buchbauer, Investor Relations department.

2. Resolution proposals by shareholders (§ 110 AktG)

Shareholders whose interest, individually or jointly, amounts to 1 percent of the share capital can send resolution proposals with a statement of grounds for each item on the agenda in written form and request that these proposals be made accessible on the company's web site (www.andritz.com) together with the names of the shareholders concerned, the grounds to be attached to the proposal, and any comment by the Executive Board or Supervisory Board. If a proposal is made concerning the election of a member to the Supervisory Board, the statement by the person proposed pursuant to § 87 (2) AktG replaces the statement of grounds.

The applicant must provide proof of his shareholdings. In order to do so, a deposit confirmation pursuant to § 10a AktG is needed for shares held in safe custody. It must be issued by a custodian bank registered in a member state of the European Economic Area or a full member state of the OECD. The deposit confirmation must not be more than seven days old when it is submitted to the company. If there are several shareholders who can only attain the required shareholding of 1 percent of the share capital together, the deposit confirmations for all shareholders must refer to the same point in time (date, time). Please refer to the remarks concerning eligibility (item D) for other content required in the deposit confirmation.

- by e-mail to: michael.buchbauer@andritz.com, with the proposal wording attached as written text, as PDF for example, to the e-mail,

3. Right to information (§ 118 AktG)

Each shareholder must be provided with information on the company's business upon request at the Annual General Meeting to the extent that such information is necessary for a factual assessment of an item on the agenda. The obligation to provide information extends to cover the company's legal and business relationships with an associated company.

The information may be refused if

1. it could, on the basis of reasonable entrepreneurial judgment, be used to inflict considerable damage on the company or an associated company or
2. providing such information would constitute a criminal act.

In order to avoid prolonging the length of the meeting unduly, any questions that cannot be answered without a certain period of preparation should be sent to the company as written text (no signature required) in good time before the Annual General Meeting.

Questions can be sent to the company

- by e-mail to: michael.buchbauer@andritz.com,
- by standard mail or courier service, or handed over personally at Stattegger Strasse 18, AT-8045 Graz, for the attention of Dr. Michael Buchbauer, Investor Relations department,

D. Cut-off date and preliminary requirements for attending the Annual General Meeting (§ 106, lines 6 and 7 AktG)

Eligibility to attend and exercise shareholders' rights at the Annual General Meeting depends on the shareholding at the **end of the 10th day before the date of the Annual General Meeting (cut-off date)**, which is **(Saturday) March 18, 2017, 24:00 hrs CET (Vienna local time)**.

The deposit confirmation must contain the following information [§ 10a (2) AktG]:

Access to the Annual General Meeting

Communication of the deposit confirmation shall also be accepted as registration for the Annual General Meeting. The shareholders and/or their representatives are requested to show official photo identification (driver's license, passport, ID card) to verify their identity when entering the Annual General Meeting. We kindly request you to consider the numerous participants expected and the safety precautions now customary when planning your schedule. Admission for collection of voting cards begins at 09:00 hrs.

E. Appointing a representative (§ 106, line 8 AktG)

Pursuant to § 113 AktG, each shareholder eligible to attend the Annual General Meeting is entitled to appoint an individual or a legal entity as representative. The representative attends the Annual General Meeting on

behalf of the shareholder and has the same rights as the shareholder being represented. Each power of proxy must name the representative by name. The shareholder is not subject to any limits in the number of persons appointed as representatives, nor in selection thereof, however the company itself or a member of the Executive or Supervisory Board may only exercise voting rights as a representative if the shareholder has given explicit instructions concerning the individual items on the agenda.

The power of proxy must be issued to a specific person. A power of proxy and any withdrawal thereof must be made as written text.

A shareholder can assign this power of proxy to the custodian bank by agreement. In this case, the bank only has to submit a statement to the company together with the deposit confirmation using one of the means permitted that it has been given power of proxy; in such case, the power of proxy itself has not to be sent to the company.

Any power of proxy can be withdrawn by the shareholder. This withdrawal does not take effect until the company has received it. Statements concerning the granting and withdrawal of proxy powers can only be conveyed by one of the following means:

- by standard mail or courier service to HV-Veranstaltungsservice GmbH, Köppel 60, AT-8242 St. Lorenzen am Wechsel,
- by facsimile to +43 (0)1 8900 500-94,
- by e-mail to: michael.buchbauer@andritz.com, with the proxy wording attached as written text, for example PDF, to the e-mail,
- by being submitted personally at the entrance to the Annual General Meeting,
- via SWIFT to GIBAATWGGMS (message type MT598, stating ISIN AT0000730007 as essential reference) and sent by the banks pursuant to § 114 (1), sentence 4, AktG.

The power of proxy or withdrawal of power of proxy must arrive by 16:00 hrs CET (Vienna local time) on the day before the Annual General Meeting (thus March 27, 2017). After this time, the power of proxy or withdrawal thereof must be submitted personally on the day of the Annual General Meeting during registration at the meeting location.

The company has provided forms on its web site (www.andritz.com) for assigning power of proxy. We recommend using the forms available on the web site to simplify handling of powers of proxy.

As a special service, shareholders who cannot attend the Annual General Meeting personally have the opportunity to have their voting rights exercised at the Annual General Meeting by an independent voting proxy tied only to the instructions of the respective shareholder. Shareholders who wish to make use of this

free service are requested to contact Dr. Michael Buchbauer, ANDRITZ AG, tel.: +43 (316) 6902 2979, facsimile: +43 (316) 6902 465, or e-mail: michael.buchbauer@andritz.com.
